Dear Event Organiser/Town or Parish Clerk,

## QUEEN'S PLATINUM JUBILEE CELEBRATIONS 2022

As we are all looking forward to the nation coming together for a four-day bank holiday to mark the Queen's 70 years on the throne, you may be considering holding a street party or a Jubilee event.

For the past two years, coronavirus restrictions have meant celebrations were kept small, if held at all, but this year the Queen's Jubilee will be a fantastic opportunity for us all to come together and meet up face-to-face. What better way to do this than to hold a street party or event?

We have put together some simple Street Party and Jubilee Event Guides to help you organise your celebrations. Please see our website for guidance on holding a Jubilee celebration within North Lincolnshire this summertime [Queen's Platinum Jubilee 2022 - North Lincolnshire Council](http://www.northlincs.gov.uk/queen-platinum-jubilee-2022) ([northlincs.gov.uk](http://northlincs.gov.uk))

If you are planning to host a celebration, whether it be a street party, event or beacon lighting within your community please complete this form [North Lincolnshire Queen's Platinum Jubilee - Event Application Form \(office.com\)](http://www.northlincs.gov.uk/queen-platinum-jubilee-2022) so it can be registered and shared with Emergency partners, particularly where there may be a road closure which will affect their service. Please also share these links with local communities, groups and residents as much as you can, to make all Jubilee celebrations successful and safe events.

The Events Team at North Lincolnshire Council are here to provide access to support and training on delivering safe events. Training sessions will be available in March and April for organisers to receive information on areas such as assessing risk, authorisations required, road closure advice and general guidance on organising a Jubilee celebration. It will also allow you the opportunity to raise specific queries on your event. You can register your interest by emailing the team at [events@northlincs.gov.uk](mailto:events@northlincs.gov.uk) or advising on the application form.

We look forward to working with you to create some amazing Jubilee memories for our local communities.

Yours sincerely

**Jenny Couch**
